

Astra Bank is proud to be your partner in providing custom USD 489 debit cards! Show your school spirit and support your school by showing off your custom designed USD 489 debit card! Your \$5 debit card fee goes directly to USD 489 to help fund programs, events, and other student activities. Astra Bank will even donate a small part of every transaction to USD 489 with every debit card transaction. What does that mean? It means the more you swipe your USD 489 debit card, the more the schools will earn! Visit www.bankwithastra.com for more details!
