

WELCOME TO LINCOLN ELEMENTARY SCHOOL!

August 2017

Dear Lincoln Parents:

We are so excited that you have chosen Lincoln Elementary School as the school for your family. It is a wonderful place for your children to be educated. Our staff is experienced and caring. When your children walk through our doors, know that they will be well taken care of during their time with us.

Please take some time to look over the school calendar for the year which is located on the Lincoln Website. We have many activities and events planned. The school calendar is updated daily. Be sure to bookmark the Lincoln Elementary School website and check the calendar often. A Lincoln Newsletter will be emailed every other month. Please be sure that we have your email address. In an attempt to save money, reduce paper usage, and to be more efficient, many of our notes and newsletters will be emailed to parents.

Our Home and School Association is a great way to get involved at Lincoln. Every parent is an official member of this organization and is invited to become an active member. Nick and Jessica Schvien are our Co-Presidents for the year, and they are working on some new ways to build parental involvement in the classrooms and at Fun Night. Look for exciting Home and School information in the Lincoln Newsletter and on the website.

Please take some time to read through the Lincoln Elementary School Parent Information Book and the USD 489 Elementary Handbook. It contains important information about many items here at school. If you have any questions, please do not hesitate to call your classroom teacher or the office. Both books are located on the Lincoln Website.
